

Student Canvas Login

Log into your Canvas account at <http://jsd.instructure.com>.

1. Enter your Jordan Email (i.e. john.doe@my.jordandistrict.org).
2. Enter your password. This is your student number with 'jsd' added to the end of it, for example, "1234567jsd"

Help Desk - 1-801-567-8737

Your login takes you to the Dashboard. This shows the classes in which you are enrolled.

You can create a **Pair with Observer** code so your parent or legal guardian can view your work.

1. Click on Account at the top of the global navigation menu on the far left of the screen.
2. Click on Settings in the Account menu.
3. In the far right of the settings screen, click on "Pair with Observer" to create the code.
4. The "Pair with Observer" window opens providing a 6-digit code of capital and lowercase letters. Take note of the code. If you are unclear about letters (specifically the letters i or l) you can click "OK" and repeat step 4 until you get a different code.

This code is only good for seven (7) days and for a one-time use. If both parents and/or guardians want to pair with a student, the student will need to create a second code. Provide the code to your parent or legal guardian.
